

recruiting: macinhome mobile consultants

macinhome is an energetic, young, mac-specialized it consulting company with an established and loyal client base.

We're looking to take Canada by storm with our team of highly motivated mobile consultants. It is our mission to provide the rapidly growing Mac user community with professional assistance tailored to their every need.

If you love people, you're looking for part time work that will nicely supplement your existing income and, most of all, are fanatical about Macs, then Macinhome is the place for you!

minimum system requirements:

Ethical and trustworthy

Fast and eager learner

Prompt with phone and email communication

Fanatical about Macs

Good with people and extremely patient

Excellent written and oral English skills

In love with not only your Mac, but every Mac equally

Experience troubleshooting by phone

Car required

Apple sticker on car also required

Over two years heavy Mac usage

More than ten icons on your Dock... And a tidy Desktop.

recommended system requirements:

Up to date with all the latest Apple products and news

Over five years heavy Mac usage

Multi-platform networking experience

Linux / Terminal familiarity

Peripherals: Device synching, printers, scanners, cameras

Applications: Pro audio, pro video, third-party

Web technology: DNS, web/email hosting, domain names

Networking and Backup: Airport and Time Machine

Navigate the Finder quickly using keyboard only

Heavy iPhone and iCloud sync experience

Mac laptop with an Intel processor

More than one Apple sticker on car.

perks:

We pay for travel time: Gas is covered.

Flexible schedule: Web-based paging system assigns service requests based upon on-call availability. Ideal for anyone in school or employed full-time elsewhere.

Lucrative hourly rates: Built-in escalators for high-performing consultants.

We pay for your certification: All mobile consultants are required to challenge Apple's ACSP certification test within 3 months of employment.

Character-driven, fun work environment: The happier you are, the happier we are.

Ethics matter.

interested? please send your resume and cover letter to: opportunities@macinhome.com

anecdotes about your mac fanaticism encouraged. the best story will be published on our website.

fixing the world, one mac at a time.
